Premium Lot with No Rear Neighbors! This beautifully upgraded, 2,700+ sq ft home is located in a sought-after Hamilton community bordering Ancaster, offering the perfect blend of family comfort and privacy. The bright, functional layout features a main-floor office adjacent to a full washroom—ideal for remote work, guests, or multi-generational living—and an upgraded kitchen complete with built-in appliances and a wall oven. The main living space boasts a custom, wall-to-wall built-in entertainment unit with an integrated fireplace and premium millwork, while the upper level offers three spacious bedrooms, convenient second-floor laundry, and a massive loft easily convertible into a fourth or fifth bedroom. Step outside to a professionally finished, private backyard deck that is perfect for entertaining. Ideally situated near schools, parks, public transit, Upper James amenities, and the Hamilton Airport employment corridor, this property delivers exceptional convenience.
