This condo in Gateway Loft is not like the others or many other condos in the city. This fully renovated, top floor condo features hardwood floors, custom kitchen including oven which other units don't have, freshly renovated bathroom, office/second bedroom space and custom closet. Enjoy a private fireworks show with an amazing sunset anytime the Knights Stadium has them. Private assigned parking space on the same floor as the unit so no elevator waiting. Easy access in and out of the city down Trade St. The new trolley line is almost complete connecting Gateway to the rest of the city with rail. Come and take a look!
