This stunning 5/6 bedroom home that is situated on a cul-de-sac features 4 full and 1 half bathrooms. Offering an abundance of living space including plenty of storage. Some of the magnificent interior features are: natural light flowing throughout the entire home, custom molding throughout all levels of the home, a large kitchen with a separate eating area, first floor study that could also be used as a bedroom, a large master suite boasting multiple walk-in closets, a dressing area and a spa-like bath and a finished basement with a full bath. A few of the exterior features of this home are: a gorgeous heated gunite pool surrounded by a custom patio featuring a pergola with a retractable awning, walk up attic and a three car garage.
