Updated, light filled, and well maintained 3 bedroom 2.1 bath split level on quiet street, this is the home you've been waiting for. Enter the ground level to a spacious foyer & large family room with access to the patio. On the main level there is the living room that showcases a lovely fireplace, a spacious dining room, and eat in kitchen that has access to the large 2 tiered deck. Upstairs the primary bedroom boasts an en-suite bath & 2 closets. 2 additional bedrooms and the 2nd full bath complete this level. The basement has two finished areas, use them as you like. Wood floors, ample closet space, & storage throughout. Large landscaped & fenced back yard completes this lovely home. Bathrooms are updated & the home has been freshly painted. New Roof 2017, Hot Water Heater 2018, HVAC 2010, Fence 2016, Generator hookup 2020. Close to school & less than a mile to NYC Train & downtown.
