This stunning one-story home in River Crossing is beautiful inside and out! Immaculate custom landscaping creates a resort like backyard getaway with gas fireplace for those cool nights, a chef's cooking island with counter seating and a huge custom-built patio cover that extends the outdoor living. There's plenty of room for a pool, room for gardening or just a peaceful place to relax. Inside you'll find Old World charm with an open floor plan, high ceilings enhancing arched entries and beautiful stone and hardwood flooring. The spacious family room includes a wet bar and wonderful fireplace overlooking the lush backyard. A gourmet kitchen includes bar seating, double ovens, stainless steel appliances, gas cooking and wine refrigerator. Relax in the private master retreat with handsome wood floors, double tray ceiling treatments, attached luxurious master bath and outside access to the master covered patio. If you need room for all your toys or a climate controlled work shop, you'll love the attached
