Nestled in the heart of Jersey City Heights, 3458 JFK Blvd is a beautiful, FULLY RENOVATED WITH THE FINEST FINISHES, two-family home offering both comfort and convenience. This 2-family home features two generous units, each designed with modern living in mind. Unit 2 boasts stunning skylight windows that fill the space with natural light, creating an airy and inviting atmosphere; it features 2 and half bedrooms with a luxurious bathroom and kitchen. Unit 1 features 2 bedrooms with an eloquent and luxurious bathroom and kitchen. The home is equipped with a fully finished basement, with a summer kitchen, full bathroom, and large bedroom. A private backyard provides a peaceful retreat, ideal for entertaining or relaxing outdoors. With all units currently vacant, this property presents an excellent investment opportunity with strong rental income potential. Located in the vibrant Jersey City Heights
